Colonial Raised Panel Shutters

- Styles:** Eight standard styles determine center rail placement.
- Sizes:** Custom Sized for your window to the 1/4 inch.
Max Width: 48"
Max Length: 108"
- Material:** Select Grade wood: Southern Yellow Pine, California Redwood, Bald Cypress, & Western Red Cedar. Composite: Extrira.
If you are painting, we recommend a composite inner panel.
Our wood inner panels are finger-jointed.
- Options:** Unfinished: Sanded, some putty if needed, & ready to paint.
Primed: Benjamin Moore Oil Based Primer
Stain-grade: Hand selected best pieces of wood in lot.
Stain-grade putty used if needed.
Arched Top (please specify where to start the arch).
Raised panels on front & back.
- Customizations:** Rabbet, Ship-lap, Beading, Stile or Rail size changes.
Other custom styles available, email us any special needs.
- Shipping:** Free for shutters < 76". Oversize shipping is \$75/order.

- Styles**
